All Star Cheer Prep Team Info

East Celebrity Elite, Oakdale has been training athletes since 2004 and has established itself as one of the top programs in New England and nationwide. Our teams have won many National Titles as well as two World Championship titles. We have also won many Grand Championships, Choreography Awards and Program Champion honors throughout the United States. By attending some of the most competitive and prestigious competitions this nation has to offer, our athletes and teams have made a name for our gym and solidified East Celebrity Elite as a successful and respected gym that ranks among the nation's elite.

The "Prep Team Program" is designed to give more cheerleaders the chance to experience and participate in All-Star Cheerleading. It was created for those athletes and families who would prefer less of a commitment and would like to compete locally. These athletes will only compete at 3, local, one day competitions. Your child will have the opportunity to train with our professional staff. A tremendous amount of skill will be taught through all-stars, allowing every child to become better athletes for all their future cheerleading endeavors.

Our main objective for the Prep Program is for our cheerleaders to gain valuable competition experience and master countless new skills. We are excited to have you join us!
